

We're so excited to be back in the classroom!

Let's keep everyone safe by following the guidelines below...

Before School:

- Wash hands.
- Have clean mask.
- Check for COVID Symptoms (see chart below).

At School:

- Please follow drop-off/pick-up protocols for individual campus.
- Students will wear masks while indoors and on district transportation.
- Bring a warm outer layer. Classroom ventilation will be increased.
- All volunteers must be cleared with school.
- If your student has a chronic condition that may mimic COVID symptoms, (asthma, allergies, etc.), be sure to list on medical information card on file at school office.

If You Have Questions:

- School Front Offices will be open with masks required for all.
- Refer to SLCUSD website: <https://www.slcusd.org/>
- See resources in next column.
